

## PRESIDENT GIVES VERSION TO WRITER

**Vigorously Attacks Republican Platform, Citing Special Phases of Its Nature**

(By Associated Press)  
New York, June 18—President Wilson's nine month's illness neither daunted his spirit nor impaired in the slightest degree, his splendid intellect," according to the New York World, which today published a copyrighted interview of a Washington correspondent with the President.

The correspondent says the President has gained more than 20 pounds during the past two months and his ultimate recovery is assured.

He asserted, that during his three hour interview at the White House, discussing current topics and issues, the President "expressed himself with characteristic Wilsonian vigor."

The President was particularly vigorous in attacking the republican platform, according to the correspondent.

"The Republican National Convention," said the President, "is controlled by interests essentially and scientifically Prussian in inspiration and method." He regarded the League of Nations as the dominant issue in the forthcoming political campaign and expected the Democrats at San Francisco to repeat the challenge for a referendum on the League.

## REPORTED HARDING ACCEPT CHALLENGE

(By Associated Press)  
Washington, June 18—President Wilson's challenge to submit the peace treaty to a referendum of the American people, was accepted today by Senator Harding, the republican presidential candidate.

"I am sure," said Senator Harding, "the republican party will gladly welcome the referendum on the question of foreign relationship of this republic, and the republican attitude of preserved nationality will be overwhelmingly endorsed," said Harding's statement in reply to an interview with President Wilson, published today, in which the President discussed the League of Nations and the republican platform.

## COLBY MAY BE NAMED CHAIRMAN

(By Associated Press)  
Washington, June 18.—Bainbridge Colby, secretary of state, is regarded by most democratic leaders here as the likely choice for permanent chairman of the Democratic National Convention at San Francisco. Senator Robinson, of Arkansas, and Chairman Cummings, of the Democratic National Committee, are also mentioned.

Cummings' friends, however, say he does not desire the place. Senator Glass, of Virginia, definitely declined the chairmanship of the resolutions committee. He drew the Virginia state platform, which President Wilson endorsed.

## HOOVER TO SUPPORT REPUBLICAN TICKET

(By Associated Press)  
Washington, June 18—Herbert Hoover today announced formally that he will support the ticket nominated by the Republican National Convention at Chicago.

Hoover called on all elements of the republican party to support the ticket. He declared the greater part of the Chicago platform was constructive and progressive and "nothing prevents the compromise planks on labor, League of Nations, etc., being given forward interpretation. However, some things, including reorganization of our election expenditures and primaries are not adequately dealt with."

**Paper From Cotton Fibre**  
Petersburg, Va., June 18—After experiments lasting over a period of three months, the Stansco Company, of Hopewell, announced today a new process of making paper pulp from cotton fibre had been developed and that manufacture of pulp would be started soon.

## Weather For Kentucky

Partly cloudy and continued cool weather tonight and Saturday.

## TRAGEDY STALKS IN FLYNN FAMILY

Carlisle, Ky., June 18.—Henry Flynn, aged about 35 years, a farmer, of Oakland Mills, attempted to commit suicide by drinking carbolic acid at his home and is in a critical condition. Mr. Flynn, when he regained consciousness, said that he was tired of living.

Four other members of this family are reported to have had tragic deaths. John Flynn, a brother, having it is said, committed suicide by drinking poison at Lexington several years ago; a sister, Mrs. Ethel Piersall, also, it is asserted, committed suicide by drinking poison at Lexington a few years ago. Another brother, Joseph Flynn, was killed in an explosion at a rock quarry here about four years ago, and Lee Flynn, another brother, was killed by lightning in Illinois a year ago.

## DRIVE AGAINST COAL PROFITEERS

Washington, June 18.—A drive on profiteers in bituminous coal has been ordered by Attorney General Mitchell Palmer.

All federal district attorneys were ordered to give special attention to charges of such profiteering, and to seek indictment where investigator warranted.

"The Department of Justice," said Mr. Palmer's instructions, "is receiving a number of letters in which complaint is made that bituminous coal prices at the mines now range from \$7 to \$11 a ton, with a further increase imminent."

## DETROIT'S GROWTH PROVES A SURPRISE

Washington, June 18.—Detroit's population as announced today, is 923,739, an increase of 327,973, or 113.4 per cent. The rate of growth is larger than that of Chicago and second only to that of New York, and is now the fourth largest city in the country, displacing St. Louis and outranking Boston, Cleveland, Baltimore and Pittsburgh.

## FIGHT MAY END IN DEATH OF TWO

Edward Boyd, 56, and T. S. Ward, 48, brothers-in-law who cut and slash each other at Lexington Wednesday morning in a fight with knives are seriously injured at the Good Samaritan hospital, where they were taken, and their condition is such that the next 48 hours will decide whether they live or die.

The fight, which was the outcome of a long-standing family quarrel, according to the statement made by Mrs. Boyd, the wife of one of the men involved, took place in the yard of Boyd's home, Walton avenue, and in the street in front of the house. Ward is from Jessamine county.

## GEO. W. PERKINS, FINANCIER, DIES

New York, June 18—George W. Perkins, financier, died early today in a sanitarium at Stamford, Conn., death resulting from an acute inflammation of the brain, the result of complete nervous exhaustion, due to intense and continuous overwork, according to his physician's statement.

## MUST HAVE HELP TO PUSH DRY LAW

Washington, June 18—Because of the failure of Congress to provide the necessary funds, the Department of Justice will be unable to employ a special attorney to prosecute cases growing out of violations of the prohibition enforcement law after June 30th, it was said at the Department of Justice. District Attorneys have notified the Department they cannot enforce the Volstead act without assistance.

## RECORD RUN MADE BY CITY FIREMEN

**Illustration of Efficient Service Being Rendered Which Is Greatly Appreciated**

Just three minutes after a telephone message recently summoned the Richmond city fire department to the Payne home, on Estill avenue, exactly one mile from the station, Stone Maupin climbed from the truck, directed the hose and was playing a stream of water upon a blaze in the roof of the building, which was extinguished with a loss of less than \$10.

This run was made on Irvine street, a detour being necessary, owing to the rough condition of Main street, and consisted of turning around the piles of stone in the street near the entrance to the fire department, traversing a hill at the start, negotiating the hill further east, making two turns, also a complete stop to let a passenger train pass and then another start and a run for the burning building, all of which, summed up, is some record, to say the least. It is doubtful if this performance has been beaten in this state, or any other, as for that, and one who casually observes the action of the firemen does not realize the service as it is being presented here. This fact came as a surprise to Mr. Maupin himself, as well as Mose Nelson, who caught the truck as it was leaving the department, after the bell had sounded the alarm.

The time would have been a trifle shorter, had it not been for the obstinate refusal of a citizen in ringing the fire bell before the start, which necessitated Mr. Maupin leaving his seat and performing this necessary service before the start could be made. The performance has caused much talk about the city, and while the firemen are not aware of it, in many instances, they are being highly complimented. The service is appreciated by the citizen who takes sufficient interest in the affairs of the city to be a keen observer.

Thus far there have been an ever dozen fires in Richmond, within a radius of three miles, this year, the six months' period having been all passed. The most disastrous was that of the store of Dave Vandever, on Irvine street, February led with half off the configurations, six having occurred in that month. Of these 12 Maupin drove to seven and Nelson five. There has not been single slight accident in any way to the truck or city property, nor any delay upon the part of the truck, it never having failed to respond on the instant. The city firemen were praised some time ago by the salesman for a big fire engine company for the condition in which the local city fire fighting paraphernalia was kept.

## DECISIVE ACTION BY TOBACCO MEN

(By Associated Press)  
Atlantic City, June 18—Plans to place anti-tobacco organizations on the defensive were launched at the opening of the 19th convention of the United States Tobacco Associations, here today. "We do not intend" to be placed on the defensive, as were the liquor men," said President Carrington, of Richmond, Va. Reports showed that cigarette smoking has greatly increased, while cigar consumption has remained stationary.

## RUSH OXYGEN BY PLANE--TOO LATE

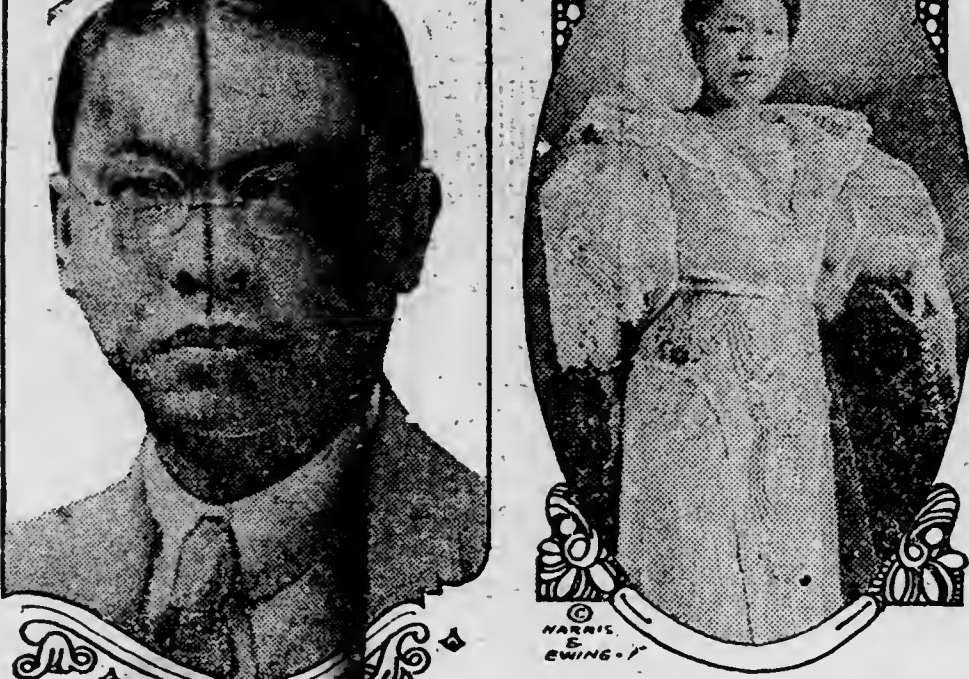

(By Associated Press)  
Pineville, Ky., June 18—Word was received here by Mrs. Joseph McCarty that her brother-in-law the Rev. T. J. Belcher, pastor of the Christian church at Barbourville, was drowned Thursday afternoon in the Cumberland river. Later word was received that efforts were being made to resuscitate him, a tank of oxygen having been brought to Barbourville from Knoxville by aeroplane. Mr. Belcher is survived by his wife and three small children.

THE CHILDREN OF THE PHILIPPINE COMMISSIONER. The Baby of This Group Speaks Three Languages—Visayan, Spanish and English.

## FEDERAL JUDGES ENJOIN COLLECTION

**Noted Case Concerning Liquor Taxes Will Go To the Supreme Court**

An important decision in the high courts which has been anxiously awaited by many for several days was made at Lexington Thursday afternoon.

Holding that the case of the Kentucky Distilleries and Warehouse Company was in many respects similar to that of the A. & J. Freiberg case recently decided in which the state of Kentucky was enjoined from collecting the 50 cents a gallon liquor tax as in conflict with the constitution of the United States, Judge Arthur C. Demmon, of Grand Rapids, Mich., Judge of the United States Court of Appeals for the Sixth Circuit; Judge A. M. J. Cochran, of the Eastern District Court of Kentucky, and Judge Walter Evans, of Western District Court of Kentucky, in Federal Court, granted the temporary injunction asked for in the petition of the warehouse company.

The plaintiff must give bond pending an appeal to the Supreme Court of the United States, to which Attorney General Charles Dawson announced it would be taken by the state.

About \$46,000 in taxes is involved in the case.

Arguments before the court were oral and very brief, merely the contentions of the distillers and of the state being presented the former being represented by William Marshall Bullitt, of Louisville, former Solicitor General of the United States, and the Commonwealth by Attorney General Dawson.

The entire proceedings did not consume over three-quarters of an hour. Judges Demmon and Evans then vacated the bench and Judge Cochran resumed the trial of cases of his docket.

Federal agents raided the soft drink stand and grocery store of Abe Marcoffsky at Paducah and seized a quantity of bottled in bond whisky. A warrant was sworn for arrest of H. M. Miller, charging him with transportation of whisky.

By the Self-Service plan which the Richmond Welch grocery has you can save clerk hire and bookkeeping expense. You save cost of delivery. You get the best and save the difference. Why not help boost a good thing by giving them your business? It called off today on account of rain.

## THE MARKETS

Cincinnati—Hogs steady; Chicago higher; lambs steady; Jersey strong; cattle and calves steady.  
Louisville, June 18—Cattle 400, inactive and unchanged; hogs 1,200; 25c higher, tops \$15.50; sheep 4,300; steady, \$7.50; lambs \$16.

## GIST OF BUSINESS AT COUNCIL MEETING

Thursday night the first of the semi-monthly meeting of the Richmond city council was held, and the session was characterized by considerable special and routine business. Mayor Evans was in the chair at the appointed hour and an early start was obtained.

One of the first of the official actions was the completion of the personnel of the councilmanic body by the swearing into office of Mr. H. M. Whittington, newly appointed city clerk to serve instead of O. B. Powell, who recently resigned.

A light was ordered placed at the intersection of Halley and Linden streets.

Mr. Parks was refused permission to construct a pair of scales on Estill avenue.

The Richmond Water and Light company, through the passing of an ordinance, will be required to lower the main on E and Collins streets.

The salary of the city collector and street commissioner was advanced from \$85 to \$100.

The finance committee elected Mr. L. O. Powers to audit the city books and to prepare a statement for the public over the period extending from July 1, 1919, to the same date this year, showing the receipts and disbursements.

## TEACHERS WORK ON EXAMINATIONS

Owing to the summer school just starting at the Eastern Normal, and the crowded conditions there, the examination of teachers was held Friday at the Caldwell high school. The examinations will continue Saturday. There is a big list of teachers trying the examinations, which are expected to be completed by Saturday afternoon. It is expected that there will be a goodly addition made to the eligible list, and Superintendent Edwards may make a special effort to get the papers graded immediately in order to place some of the successful ones at the beginning of the coming term. This action will be taken owing to the acute shortage of teachers.

## FUNERAL OF MRS. MARCUM HELD HERE

The remains of Mrs. A. S. Marcum, who died Thursday morning at the home of her daughter, Mrs. W. O. Gaines, in Cincinnati, arrived in Richmond Friday afternoon, accompanied by the bereaved husband, Mr. Marcum, and two daughters, Mrs. Gaines and Mrs. Ollie Stone, also of Cincinnati, and three grandchildren.

They were met by a brother, Mr. John Horn, of Richmond, and other relatives, together with Rev. D. H. Matherly, pastor of the Second Christian Church, of Richmond, who conducted services at the grave in Richmond cemetery, where interment took place.

Mrs. Marcum will be remembered by Richmond friends as Mrs. A. R. Harris, she having lived here until about six years ago when she moved to Cincinnati, where she was later united in marriage to Mr. Marcum. Previous to her changing her residence to the Queen City, Mrs. Marcum had resided in Richmond for many years, and was well and favorably known. She was a member of the Methodist church.

## FUNERAL OF MISS KELLY

The funeral services of Miss Lena Kelly, 50, daughter of Mr. and Mrs. Sid Kelly, who died Wednesday at her home near Clay's Ferry, took place Thursday afternoon in the Richmond cemetery.

## SHEARER FUNERAL FRIDAY

The body of Mrs. Willis Shearer, who died at Bowling Green, was brought to Red House, her former home, Friday morning, where funeral services were held. The body was then brought to Richmond, where interment was made.

## BOGGS IS TIPPED FOR RE-ELECTION

**May Not Enter Business As Contemplated—New Commission Explains New Road Laws**

That Joe S. Boggs, State Road Commissioner, will be retained, or rather reappointed to his present position, by the new commission chosen at the Louisville convention, which came to a close Thursday night, is the belief of many of those in attendance and that there will be no change in this department.

The matter of Mr. Boggs being tipped for the continuation of the place came up on Wednesday night at the band concert and picture show, where road machinery was pictured in motion, and came about through a number of well known road men and officials of the state. It was conceded by them that his experience rendered his services very valuable, in fact more so than any other available man, and it was the consensus of opinion of many that he would be induced to remain at his post instead of resigning and entering business for himself. It was agreed that the record of Mr. Boggs was one difficult to duplicate and his unusual familiarity with the roads of the state and their condition was commented upon.

The new Highway Commissioners are as follows: Ben Weille, of Paducah; Ed S. Monahan, of St. Matthews; H. H. Asher, of Pineville, and H. Green Garrett, of Winchester, were guests of honor and the new highway law was the chief topic of discussion.

The highway commissioners, who will have charge of the expenditure of more than \$2,000,000 annually in the building of the proposed highway system, were introduced to the delegates at the morning session.

The new state highway law which contemplates the building of a system of roads that will connect every county in Kentucky, was discussed by State Senator White L. Moss, of Pineville, author of the law; Speaker Joe E. Bosworth, of Middlesboro; J. E. Boltz, of Newport; Joe S. Boggs, Richmond; Chas. I. Dawson, Attorney General, Frankfort and Roger Cassiday, of Flemingsburg.

A. P. Woody, of Mayfield, was master of ceremonies at the luncheon at Senning's Park, and talks were made by C. E. Drayer, secretary of the American Association of Engineers; R. P. Duval, Frankfort; Roland Pyne, of Newport; C. B. Arnold, of Danville; T. B. Smith, of Bowling Green; L. D. Hollingsworth, of Paducah, and J. S. Dawson, of Lexington.

## ALAND ISLANDERS TO REJOIN SWEDEN

New York, June 18—The natives of the Aland Islands which lie between Sweden and Finland, at the mouth of the Gulf of Bothnia, are engaged in a lively agitation for reunion with Sweden, according to the advice received by representatives of the Swedish government in this country. The population of the islands is about 12,000. Formerly they were held by Sweden but were taken over by Russia 120 years ago. After the World War a delegation from Aland Islands presented to the Peace Conference a claim for annexation to Finland. A commission was appointed by the conference which recommended that the Archipelago be neutralized under a guarantee of the League of Nations.

## RICHMOND BANKERS ATTEND CONVENTION

Messrs. R. E. Turley, cashier of the State National bank, and H. D. Cosby, of the Madison National bank, are in Crab Orchard, attending the annual convention of the Kentucky State Bankers' Association. Mr. Turley is on the program both at the business and social sessions and tonight will deliver a toast at the banquet which is usually one of the features of the social side. Mrs. Turley and Mrs. Cosby will go to Crab Orchard this evening to be in attendance at the banquet.

## FLYNN ABLE TO WORK EVERY DAY

Louisville Man At Age of 74 Gains in Weight and Feels Fine Since Taking Tanlac

"I am 74 years of age, but since taking Tanlac I don't feel that old by a good many years," said B. E. Flynn, 733 South 12th street, Louisville, Ky. Mr. Flynn is well known in Louisville and has been employed by the American Tobacco Company for a number of years.

"During my whole life," added Mr. Flynn, "I have never run across a medicine that I consider in a class with Tanlac. Why, I have only taken three bottles so far, but I have gained five or six pounds already, which is remarkable for a person of my age. I had been feeling all run down and no account for about six years. My appetite was very poor, my stomach was in a bad fix, and I had no relish for food. My heart action was bad on account of gas on my stomach, my kidneys and bladder were also out of order and I had intense pains in the small of my back. I was habitually constipated, my circulation was poor and that tired, weak feeling was with me all the time."

"I thought my troubles were due to my age, but all I needed to put me in shape was the right medicine. In four days after I started on Tanlac I felt better and since then I have been gaining all the time. The pains about the region of my kidneys have disappeared entirely and I am so much stronger that I am able to work with some pleasure. My appetite is good now since I have gotten rid of indigestion, my heart has quit acting strangely, I am no longer troubled with constipation, my circulation is good, and I am feeling about as well as I ever did. I am going to take a few more bottles of Tanlac, though I am already feeling fine and am able to work every day. I am glad to give this testimonial for a medicine that will do as much for old folks as Tanlac has done for me is certainly worth recommending to everybody."

Tanlac is sold in Richmond by Stockton & Son; in College Hill by Ginter Bros.; in Berea by the Welch Department Stores.

**THE BIG VALUE PACKAGES**

CONSTANCE BINNEY'S PICTURE HAS A VERY EXCELLENT CAST While it is true in these days of superstar pictures, that "the star's the thing," nevertheless the average motion picture lover, keenly alert as to the quality of the production as a whole, keeps a watchful eye open for the actors who are seen in support of their favorite. Any attempt on the part of the producer to reduce the cost of the picture by giving the star an inferior supporting cast is met by a vigorous protest.

In Constance Binney's second Realart picture, "The Stolen Kiss," which is to head an attractive program at the opera house tonight, no efforts have been spared to invest the production with a group of players worthy of interpreting the adaptation of Lucille Van Slyke's whimsical story, "Little Miss By-the-Day." The character of the story, which in book form is running into several editions as one of the most popular novels of the year just past, required for its proper transfer to the screen an assembly of expert character delineators, and in full recognition of this fact the Realart concern has chosen a great cast to support Miss Binney.

**STUDENT DAY AT FIRST CHRISTIAN CHURCH**

Sunday will be observed as student day at the First Christian church in recognition of the incoming of a large number of students for the summer session at E. K. N. S.

Mr. Carpenter will speak especially to the young people at 10:45. All members of the church are requested to be present to welcome student visitors.

Mrs. Burnam was assisted in entertaining by Misses Catherine Jennings and Margaret Greenleaf.

**Entertained With Rook Party**

Mrs. A. T. Chenault entertained at rook Tuesday evening, honoring her guest, Miss May Mason, of Huntsville, Ala. Her guests included Miss Macie Turpin, Miss Mason, Miss Elverea Gentry, Messrs. Alexander Turpin, James and Noel Gentry.

**Enjoyable Party**

Mrs. R. E. Turley, Mrs. G. W. Goodloe, Mrs. C. F. Higgins, Mrs. S. P. Deatherage and Mrs. G. B. Tur-

ley, Jr., were hostesses of a river party Wednesday evening, honoring Mrs. William Spear, of Oklahoma City, and Mrs. R. F. Spears, of Lexington. A picnic lunch was served at Boonesboro Beach and about twenty guests composed the party.

**Surprise Wedding**

Many friends of Miss Margaret Tyree will be surprised to hear of her marriage to Mr. Earl Watson, of Los Angeles, Cal., which was solemnized Wednesday, June 16, at Pratt, Kansas. Miss Tyree is the popular and attractive daughter of Mrs. Mary Tyree of this city. The groom is a son of E. W. Watson, of California. Relatives and friends here extend best wishes for their future happiness and prosperity. They will probably make their home in Los Angeles.

**Entertains for Guests**

Mrs. Nelson Gay entertained Sunday at her home in Clark county in compliments to Mrs. Hill, Pittsburg, the house guest of Mrs. Harvey Chenault. Covers were laid for Mr. and Mrs. Chenault, Mrs. Hill, Mrs. T. D. Chenault, Sr., Mr. Waller Chenault, all of this city, and Mr. and Mrs. Edward Taylor, Mr. Tom Gay, Mr. and Mrs. Nelson Gay, of Winchester.

**French Mission Circle**

The regular meeting of the French Mission Circle will be with Mrs. C. F. Chenault, on the Irvine pike, Monday afternoon at 3 o'clock.

WOODEN SHOES NEXT

You be into shoe profiteers if all Americans take to the Dutch wooden shoes as readily as has this young lady.

Although a bit clumsy it is believed that many would rather undergo the little discomfort of wooden shoes than dispose of a veritable fortune to acquire the others.

Moreover after a morning walk no expensive shines are necessary—a dip in the water does the trick.

Main.  
Mr. and Mrs. R. E. Turley and guest, Mrs. William Spears, of Oklahoma City, and Mr. H. B. Cosby are in Crab Orchard for the bankers convention.

Mrs. Harvey Chenault and guest, Mrs. Hill, of Pennsylvania, and Mrs. H. M. Blanton were dinner guests of Mrs. W. D. Watts and Mrs. Thompson Bryant, Monday.

**Doctor Cupid**

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as liquid form.

Send 10c to Dr. Pierce, Buffalo N. Y., for trial pkg. of the tablets. NASHVILLE, TENN.—"I have used Dr. Pierce's Favorite Prescription and found it to do what it is recommended to do. It did me more good than the doctors. I had several and none of them did me any good. Dr. Pierce's Favorite Prescription is the only thing for weak, broken-down women. I felt like a new woman after taking it. I weighed 155 lbs. and never felt better in my life."—MRS. AGNES TATUM, 175 L. Green St.

**MOTHER—**

Have McGaughey Make Her Picture Today

**HUNDREDS ENJOY ATHLETIC SPORTS**

The spectacle presented by the participation of more than 200 students in mass exercises at Eastern Normal, a scene quite out of the ordinary, is to be witnessed almost daily, this being one of the features of athletic training employed by Miss Mellott, who has organized an immense class for 6:30 o'clock each evening. This line of work in the way of athletics is in evidence in the greater cities and is being eagerly participated in by the general average of students which is taking to it very enthusiastically. The training will continue for some time and it will be possible for those taking part to become quite proficient before the close of the summer school.

**ANNUAL MEETING AMERICAN LEGION**

The second annual state convention of the ex-service men and women of Kentucky of the great war will be held at Louisville, September 3-4, according to the executive committee which has designated those dates. Representation will be determined by members. Each post will have one representative and one alternate, together with one additional representative for every hundred members. There are 132 local posts in the state of Kentucky, and this fact assures a big attendance.

There will be much in the way of important routine business to be transacted, including the election of state officers, discussion of live topics and the welfare of the organization, as a whole, and the members as individuals.

**CALUMET BAKING POWDER**

is the most popular because it does give most perfect results. It has the biggest demand because it is the most dependable. The fact that it is the best is proven by the fact that it is the only one that will convince you that there is none "just as good." Buy Calumet—If you are not satisfied take it back and get your money back.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities. You are when you buy it. You are when you use it. HIGHEST QUALITY HIGHEST AWARDS

**MORE ARE HERE AFTER TEACHERS**

Director A. R. Edwards, of the Model school, also at the head of the teachers' bureau, is having a busy time of it these days, there being numerous calls for teachers and other miscellaneous affairs incident to the preparation of the coming term of school. Superintendents from the Nicholasville and Georgetown schools were here today looking after instructors. They were also looking up the records of a number of applicants for schools. They report there is the same degree of shortage there as is found elsewhere, when teachers are concerned, and the outcome is not known. These are not the only school superintendents from other cities who have been in Richmond looking after teaching material. The condition in Richmond and Madison county generally is no exception. It is found that similar conditions exist everywhere.

**"GAS" DEALERS ARE BUSY REGISTERING**

Dealers, both retail and wholesale in gasoline in Madison county continue to register with County Clerk Jennings Maupin, and the indication are that the registration list will soon be complete. The business with the state promises to be very extensive, owing to the increase in the quantity of gasoline being used.

Richmond leads the list, with 11 dealers already registered, Red House coming second with 5. Waco, Brassfield, Newby, College Hill and Berea are other county towns reporting dealers who have registered. It is believed that but two-thirds have thus far reported. However, they will be held responsible for gasoline sold after June 17. County Clerk Maupin is preparing for the final registration of the dealers on the books which are to contain the accounts of their business, where the same will be recorded and turned over to the state.

**INVENTIVE GENIUS ROBS CALOMEL OF NAUSEA AND DANGER**

Doctors' Favorite Medicine Now Purified and Refined from All Objectionable Effects. "Calomels"—the New Name.

What will human ingenuity do next? Smokeless powder, wireless telegraphy, smokeless engines, colorless iodine, tasteless quinine—now comes nameless calomel. The new improvement called "Calomels" is now on sale at druggists. For biliousness, constipation and indigestion the new calomel tablet is a practically perfect remedy, as evidenced by the fact that the manufacturers have authorized all druggists to refund the price if the customer is not "perfectly delighted" with Calomels. One tablet at bedtime with a swallow of water—that's all. No taste, no nausea, no griping, no salts. By morning your liver is thoroughly cleansed and you are feeling fine, with a hearty appetite. Eat what you please—no danger—go about your business. Calomels are not sold in bulk. Get an original package, sealed. Price, thirty-one cents—(n.e.).

**My Mother used MOTHER'S FRIEND before I was born.**

26 years ago and my birth was practically a painless one," writes one enthusiastic mother. How very natural then, that her own mother, whose experience had unqualifiedly proven the virtue of Mother's Friend would have her daughter enjoy the same benefits. Mother's Friend is used externally.

**NO WONDER THIS MINISTER IS BUSY**

Rev. G. S. Watson, of Booneville, pastor of the Presbyterian church there as well as three other churches in Owsley county, and editor of the Owsley County Courier, was in the city today the guest of his sister, Mrs. F. W. Clay.

Rev. Watson admits that he is a very busy man, since his ministerial connection, through representing four churches, does not represent all of his business. He is building a manse at his church and one of his objects in coming to Richmond was for supplies, workmen, etc. He is also supervisor of this work which he hopes to have completed within a short time. Mr. Watson is secretary of the telephone company of his home town, at the head of the Red Cross work and the stated secretary of the Backhorn Presbytery.

**LAND MOVEMENT ACTION IN IRELAND**

(By Associated Press) Dublin, Ireland, June 18—In several of the western counties of Ireland, disturbances are now more agrarian than political. The Sinn Fein seeks to control the land movement and prevent it getting out of hand. It has been decided that nobody shall be attached or his cattle driven to make him sell part of his land unless he possesses more than 500 acres. This is a very exceptional amount for any tenant to hold so that the agitation in future will be directed solely against landlords and ranchers.

Proclamations have been issued in the disturbed counties in the names of their Parliamentary representatives forbidding claimants to land to act in the name of the republic. They point out that many of the claims which have been made are without founda-

## "FREEZONE"

Lift Off Corns! No Pain!

Magie! Just drop a little Freezone on that touchy corn, instantly it stops aching, then you lift the corn off with the fingers. Truly! No lumbag!

Try Freezone! Your druggist sells a tiny bottle for a few cents, sufficient to rid your feet of every hard corn, soft corn, or corn between the toes, and calluses, without one particle of pain, soreness or irritation. Freezone is the discovery of a noted Cincinnati genius.

Wells, Russell Azbill, Vernon Pigg, and Arnett Taylor composed a pleasant motor party to High Bridge Sunday.

## DOING HIS DUTY

"For two years I suffered agonizing pains in my stomach, belching up sour and bitter fluids and gas. Tongue always coated. Doctors were unable to help me. The first dose of Mayr's Wonderful Remedy made me feel 100 per cent better, and I am now feeling better than at any time in my life. I deem it my duty to advise other sufferers." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. H. L. Perry and Son and druggists everywhere.

## OVER MILLION MEN GIVEN EMPLOYMENT

Over one million returned soldiers have been cared for and given employment. Official figures show that to date 1,457,862 men have been registered for employment at the governmental and welfare agencies all over the United States. Of these 1,053,544 have been placed at work. In the past twelve months, 47,815 men have asked for other assistance from the representatives of the Service and Information Branch throughout the country. These cases have covered every need of the ex-service man—vocational training or hospital treatment; compensation, insurance, unpaid \$60 bonus, back pay, travel pay, missing Liberty Bonds, etc.

Throughout the country there have been established local committees which will now take up the work, and before the close of the work, June 30, there will be such a committee in each congressional district.

The welfare agencies everywhere have been brought into direct contact with the representatives of the government bureaus

"California Syrup of Figs"  
Child's Best Laxative

"Accept 'California' Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless physic for the little stomach, liver and bowels. Children love its fruity taste. Full directions on each bottle. You must say 'California'."

administering soldier relief, and since the welfare agencies have contact with the former soldiers, the latter are thus connected up with the government representatives.

Lieut. Col. Matthew C. Smith, General Staff, who has been in direct charge of the work under General Haan, says:

"As the employment situation cleared up, more and more attention has been given to disabled men and to organization of local committees to continue handling soldier problems of all kinds. Our emergency army has been demobilized and absorbed into civil pursuits. For some months there has been no soldier re-employment problem. The mass of help-wanted advertisements in newspapers of the large cities shows conclusively that there is work for practically everyone."

## COTTON INTERESTS DEMAND ATTENTION

(By Associated Press)  
Manchester, England, June 17.—Prof. J. A. Todd, secretary of the Empire Cotton Growing Exchange of the Board of Trade, has just delivered to the Textile Institution a warning of the prospective world scarcity of cotton in the near future and emphasized the need for developing new sources of supply as well as experimenting with cotton substitutes.

After dealing exhaustively with the labor position in the United States and the havoc by boll-weevil as well as the acreage position, the professor said, "It is obvious that we are not going to get 15,000,000 bales of cotton this year." At home it seemed to him the consumers had not felt the full weight of the high cost of the raw material. Even in America he did not see much sign of the consumer's intention of doing without cotton fabrics.

The statistics for America's domestic consumption for the first three months of this year were on a basis uncomfortably near to 7,000,000 bales a year. British consumption before the war was nearly 4,000,000 bales and the total American crop last year was only 11,000,000 bales.

LOST—Small pin about size of quarter, color black and gold with small pearl in center, lost in Richmond or on Lexington or Jack's Creek pike. Return to Daily Register office and receive reward.

## BRADSHAW MILLS

Mr. and Mrs. Jesse East and children spent Sunday with Mr. and Mrs. David East.

Miss Viola and Mr. Jasper Prewitt, of Richmond, are visiting relatives here.

Mr. and Mrs. Campbell, of Richmond, were guests Sunday of Mr. and Mrs. Horace Campbell.

## INSPECTED PLANS FOR DORMITORY

President Coates, of Eastern Normal, is home from Cincinnati, where he has been for some time looking after the plans for the dormitory and other improvements at the Normal. They have been prepared by well known architects of Cincinnati who have been here looking after the changes being made and to be made here. Some of the plans have been recommended by the architects who have taken up the work, and it is expected that contracts for the actual work will be given in a short time. It is known to be the intention and desire of the members of the board of regents to realize the completion of the buildings and other improvements at the earliest possible date.

The work of replacing the storage sheds, a part of which was destroyed by fire some time ago, will also be among the improvements to be made soon.

## MORE "STILL" RAIDS

A sheriff's posse led by Gid Mills and including Judge B. B. Triplett, Ira Kincaid and Ezra Kincaid, of Catlettsburg, raided a moonshine still in the first hollow beyond Lockwood. They captured a still and about 150 gallons of mash. They slipped back

## MAKES RAPID HEADWAY

Add This Fact To Your Store of Knowledge

Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the kidney secretions are offensive, irregular, and attended with pain procure a good kidney remedy at once.

Thousands recommend Doan's Kidney Pills. Ask your neighbor. Read the statement below: "W. J. Burk, prop. of a blacksmith shop, S. Highland st., Winchester, Ky., says: 'I was troubled with my kidneys and my back was sore and lame. My back ached and pained and my kidneys acted irregularly. Doan's Kidney Pills soon relieved the backache and regulated my kidneys.' Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same Mr. Burk had. Foster-Milbrun Co., Mfrs., Buffalo, N. Y."

Richmond, Ky.

**Shod for Might**

The high standard of merit attained in the making of Gillette Cord Tires will be rigidly maintained. That is assured by the fact that every workman in the big Gillette factory has a voice in the management of conditions under which he works. He puts forth his best efforts—takes pride in production because he is a ruling factor in that production and works under ideal conditions.

The mighty Gillette Tread is massed into a formation which gives best of traction with least of wear. It is comprised only of the highest grade rubber refined with the exclusive Gillette Chilled Rubber Process which toughens it as iron is toughened when changed to steel. It develops greatest of resiliency and strength of resistance. It reduces sand blisters—abolishes tread separation—stops the evil effects of climatic conditions, heat and cold. Put one Gillette or a full set on your machine right now! If there is no Gillette dealer in your town write our general sales office.

## MAP OF THE WORLD IS CHANGED BY WAR

The recent war changed the geographical lines of much of the earth. Prof. R. P. Green, former state high school supervisor, and representative of the State Tax Commission, who resigned to devote all of his time to educational affairs, has given six of the series of lectures on social geography at Eastern Normal, and will return before the close of the summer

school and deliver the remaining four. The matter treats with the revised geographical lines, due to the late war and is both interesting and instructive. Mr. Green's powers of illustration and explanation renders the lectures intensely interesting and the new mode of geography learning will be taken up with the new lines to be studied. It is expected to be some time, however, before the official study of the rearranged geographical lines will be taken up by the students in general.

New Presbyterian church will be a credit to the city.

## IN MEMORIAM

Russell J. Pearson

While Mother Earth was clothed in her finest robe of green and we were going, as it were, into partnership with nature, living with trees and flowers, breathing the sweet air of the fields, just when life seemed to mean most, the loved and loving son, brother, and friend died when boyhood's morning almost touches noon, and while the shadows were falling toward the west.

The Great Master plucked him from the garden of our hearts while he was yet wet with the dew of morning and transplanted him into that blessed, blooming Paradise above. Though he had only passed on life's highway the thirteenth stone that marks the years, he possessed the ability of many far older. His devotion to parents, brotherly love and friendly smiles made him the favorite of many.

Yet, after all, it may be best, just in the happiest, sunniest hour of all the voyage, while eager winds are kissing every sail, to dash against the unseen rock, and hear the billows roar, a sunken ship; for whether in the early, in mid-ocean or among the breakers of the farther shore, a wreck must mark at last the end of each and all. All must die. Death is no punishment. It comes with equal footsteps to the just and unjust, to the great as well as the lowly; it is as natural as birth; as impartial as rain; it is the content of death that counts.

How memory reverts and brings again to us the scene on Golgotha. The redemptive essence of Jesus' example and teaching is comprised in the cross. He died upon the cross, yet around His crucifixion plays the inextinguishable halo of the best ideals of the race. From the hill of Calvary or from the tomb of any here flow eternal streams that water the fainting heroism, the failing beauty, the wearying righteousness of mankind.

Though this lad has been struck down in his golden morning and taken from us in sadness, God knows we would not call him back if we could. "For the judgment of the Lord is true and righteous altogether." The realization of the end brought no fear to him, and we believe that only those who are fit to live who do not fear to die. Death comes uninvited; our loved ones are torn away, but we realize that the world is filled with sighs, groans, tears and heartaches, while, on the other hand, we are told of Heaven, that "God shall wipe away all tears from their eyes, there shall be no more death, neither sorrowing nor crying, neither shall there be any more pain, for the former things have passed away."

God's promises are sufficient proof of Russell resting in peace. His faith in his Master was proven during his three weeks of suffering, which he bore with patience. After medical skill was administered in vain, the Great Physician who comes to all who serve Him relieved him of his pain. For him death had no sting. His passing was in peace, for he realized "as in Adam, all die, even so in Christ shall all be made alive." Though the body lies in God's acre, returning to dust, from whence it came, the soul is with God. It's God's promise, "He that believeth in me, even though he were dead, yet shall he live."

Sleep on, beloved, sleep and take thy rest;  
Lay down thy head upon thy Savior's breast;  
Thy trials on earth, though brief, are over,  
We love thee well, but Jesus loves thee more.

W. H. J.

## SEEKING TO LOWER THE COST OF BURIAL EXPENSES

It's no longer the "high cost of living" that worries the undertakers, they say, but the high cost of dying. They have gathered in Louisville this week from all parts of the state to attend the annual meeting of the Kentucky Funeral Directors' Association to discuss ways and means of bringing down the cost of funeral materials.

Miss Ella Kate Tuttle, of Estill county, was the week-end guest of Miss Elvenera Gentry.

## PAINT LICK

Mr. Ed Williams has sold his residence to Perry Tussey, consideration \$5,000; and his shop to Andy Thompson for \$2,600. He left Monday night with his family for Asheville, N. C.

Rev. W. A. Ramsey was installed as pastor last Sunday. Revs. Rice, of Harrodsburg, Ray, of Springfield, and Bruce, of Stanford, took part in the service.

Mrs. B. M. Lear has gone to Middlesboro to visit her son, Reid Lear, and family.

Robert Arnold, Edwin Walker sister, Miss Mary Walker, attended a dance in Winchester on Monday night.

Mrs. Duncan and daughter, Miss Ethel, of Berea, are guests of Mr. and Mrs. Robert Duncan.

Miss Vic Gose Smith and Miss Elizabeth Bright, of Stanford, have returned home after a visit to Miss Lena Estridge.

Walter Azbill will move his shop from the Madison side to the Garrard side of our village.

Mr. Wilder and family and Mrs. Sophia Treadway were Sunday guests of friends here.

Less Shepherd, who lives three miles from Paint Lick, was kicked by a horse and had his leg broken below the knee.

Rev. Ricks, of Berea, filled the pulpit at Mt. Tabor church last Sunday.

Misses James Bronston, of Richmond, Marie Ledford and Ava McWhorter, left Monday for Denver, Col., to visit friends and relatives.

## BUFFALO

Mr. and Mrs. Richard Cobb have returned home from Danville, after brief visit to her mother, Mrs. Mollie White.

Homer, the little son of Mr. and Mrs. W. F. Cosby, is much improved from a recent illness.

Miss Mattie Tribble has returned from a few days' visit with friends in Lexington.

Mr. and Mrs. Joe Mize and children visited Mr. and Mrs. A. H. Wells and family, at Forest Hill, Sunday.

Mr. and Mrs. Jesse Hale and daughter, Betsy, visited her parents Sunday.

Mr. and Mrs. Hardin Roe and his sister, Miss Alice Roe, of Winchester, visited Misses Effie and Maude Hale, Sunday.

Mrs. G. W. Stokely entertained a number of her friends Sunday.

**PLANNING FOR SUMMER**  
You're going to need electricity on your farm this summer. Thousands of farmers used it for the first time last summer and are glad in their declaration that they wouldn't go through another summer without electricity to help out.

In the first place, electric lights, beside being bright and radiant, are cool lights. They will not heat up a room after night as will an open flame light. Then electric lights do away with the necessity for cleaning smelly coal oil lamps and lanterns, and how they do smell on hot summer nights.

Then you'll want electricity this summer to run the electric fans that will cool the hot kitchen, that will make cool breezes around the dining table and that will drive the hot air out of the bed rooms and make the nights comfortable.

All these things you are going to want this summer and, if you want them hard enough you can have them. The small individual electric plant has been developed especially with the idea of giving electricity to the farm homes, no matter where located. And farmers are adopting them, too, in great numbers. Nowadays if you travel the country roads in Maine or Ohio, in Alabama, Iowa or Oregon, you will find farm homes lighted after dark with electric light, and served in the daytime with electricity from their own electric plants.

If you want to enjoy electric service this summer yourself, it will pay you to cast around a little and get some information as to just what the electricity would mean to you. If you can get your buildings wired, the foundation built for the electric plant and the plant installed before the hot summer days come you will be well on the way to the most comfortable and enjoyable summer you ever spent.

## PEABODY MAN CHOSEN

Mr. Ashley D. Carter, who is now attending Peabody College National, has been chosen by President T. J. Coates, of the Eastern Normal, as the new assistant in the agricultural and science departments. Mr. Carter comes well recommended, and it is believed, will make a valuable addition to this department.

Farmers are eulogizing the bachelor, also claiming they are steady and industrious—just so the young women do not become inoculated with the same sentiment, all will be well.

## HEARD ABOUT TOWN

Ben F. Hurst, who has been in the east on a business trip for some time, will return Friday. While on this trip he closed a number of contracts for himself and another firm which he represents at times. Ben is said to be a salesman of the 18-carat variety.

Good roads convention closes at Louisville.

Richmond physicians attending the Kentucky Valley Medical Association convention at Winchester.

Louisville is planning for a \$1,000,000 industry.

City and county school boards are wrestling with teacher problem.

New Second Christian church, decided upon by members who will be-

gin campaign. Remember, they are home people, and not foreigners.

Richmond is well represented at the Latonia races.

That street paving stunt was something to get started, but the paving men are doing some fine and rapid work these fine days.

Dr. J. G. Bosley goes to New York to take special study and practice course.

Here's hoping all who come to the Eastern Normal will be taken in.

Business man said he would throw open his doors to students before they should go home—he did.

## Where is Relief From Blazing Skin Diseases?

Must I Endure Forever the Torturous Itching?

The skin is fed from the blood, and upon the condition of the blood depends whether or not your skin will be healthy and free from boils, pimples, scaly irritations, red eruptions and other disfiguring and unsightly disorders. The sensible treatment that will show real results is a remedy that

will cleanse the blood thoroughly and kill the germs that cause the trouble. And for this purpose no remedy ever made can approach the record of S. S. S. which cleanses the blood of the disease germs, at the same time building up the general health.

For valuable literature write to Chief Medical Adviser, 100 Swift Laboratory, Atlanta, Ga.

## THE CROWNING EVENT Swinebroad's New Addition to City of Danville

AT ABSOLUTE AUCTION SALE

WHEN?

# Saturday, June 26

10 O'CLOCK A. M. (RAIN OR SHINE)

WHERE?

on Lancaster Street and Pike just Beyond Alta Avenue.

(Known as the Fogarty farm purchased by Swinebroad)

90 acres adjoins D and D Institute property and fronts

one-half mile on Lancaster street and pike. Balance is on

South Side of Clark's Run fronting on Gose Pike, and also

the extension of Baughman Boulevard through this land.

Only 210 yards from city water mains and Electric Light

and Gas.

The equal of this property is an attractive subdivision in

addition to Danville has never been presented. And this

is the last. There are no others. The best for your last opportunity.

**REMEMBER—BUILDING LOTS**—and a number of 2—

3—5—10—20 acre tracts. Any number of acres the purchaser

wants.

One tract of 10 acres with improvements, 6 room dwelling,

2 halls and porches, barns, cribs, etc., or will add more

acreage thereto. Remember we sell to suit the buyers.

I have been solicited at various times to name a price on

different lots and tracts, but I wanted to make the subdivision

attractive and let the bidders name the price and give everybody

a chance. Now is your opportunity. This is first

class land. Get a line on values and prices of real estate.

We welcome a thorough investigation.

I will not take space to "Boost" **DANVILLE** and **BOYLE**

**COUNTY**. Everybody knows the advantages of owning

property here. Fertile soils, good roads, modern improve-

ments, schools, colleges, churches, banking, market and rail-

road facilities, hospitable, progressive, cultured, moral citi-

zens, everything that makes life worth living, will always re-

gardless of any conditions or circumstances, cause this real

estate to steadily continue to enhance in value and advance in

price. Had you ever stopped to think—Lots of people want

to come to Danville and Boyle county but none ever want to

leave.

**DON'T FORGET THE DATE—MEMORIZE IT—JUNE 26**
